

AMENDMENTS TO THE DRAWINGS:

The attached sheets of drawings include changes to Figures 1-9. These sheets, which include Figures 1-9, replace the original sheets including Figures 1-9.

REMARKS

The necessary new drawings are submitted herewith.

The needed change in the specification is also made.

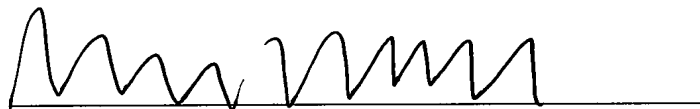

The objections to claim 10 are noted. It is believed that "the output" to which the Examiner objected, appears in line 15, not line 7 as stated in the Official Action. Kindly confirm this; and if "the output" has to be changed to --output-- at any other place, kindly do so by means of an Examiner's Amendment.

In view of the present amendment and the foregoing Remarks, therefore, it is believed that this application has been placed in condition for allowance, and reconsideration and allowance are respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON

A handwritten signature in black ink, appearing to read "Robert J. Patch", is written over a horizontal line.
